

Your Doctor's Office, in Your Pocket

Get care for a wide range of health
needs in the Galileo app

“ The appointment was on
time and thorough! I really
felt that the Doctor listened
to me and really developed
a logical treatment plan!”

—Credit

24/7 access

We're available around
the clock, even on
weekends and nights.

Care for almost any health need

From the cold and flu, to
depression and diabetes.

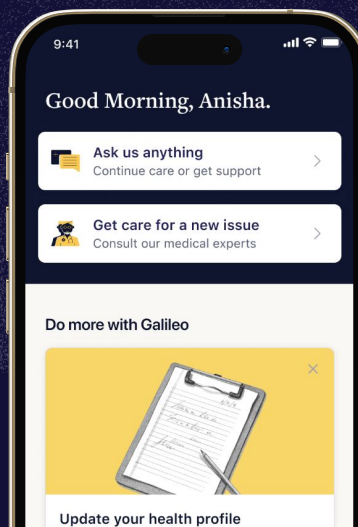

Get care anywhere

See a doctor by chat,
phone, or video.

Your trusted medical partner

Manage all aspects of your health in one place

Start a new care consultation
with our medical team

Questions? Our patient
support team is available 24/7
to help with everything from
referrals to authorizations
