

Behavioral Health & Addiction Services

THERACORP

What is TheraCorp?

TheraCorp Behavioral Health & Addictions offers both in person and virtual therapy as well as coaching options. The cost of this program is a **\$30 copay**.

Some of the Services Offered by TheraCorp include:

Individual Psychotherapy

Effective treatment for a variety of emotional difficulties such as Depression, Anxiety, Eating Disorders, Grief and Trauma.

Couples and Family Counseling

Helps to recognize maladaptive behavior to resolve conflicts and improves relationships with your partner or children.

Psychiatric Evaluation and Assessment

An evaluation of mental and emotional health to assess your ability to function in your life and in the community.

Substance Use Treatment

Substance use disorders occur when the recurrent use of alcohol and/or drugs causes clinically significant impairment.

Getting Started

You can contact TheraCorp by calling **732.561.8555** or visiting theracorpclinic.com.
